The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Reference Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol $\rightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

**Bibliothèque de référence de la
communauté urbaine de Toronto**

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

SPECIALS

SUGGESTIONS.

A suggestion box has been provided, and your committee will appreciate any ideas you may have to offer.

Contributions thankfully received.

BILLIARDS

The fine big English table will provide good sport.

No trouble to find opponents.

CHECKERS AND WHIST

Several checker-boards have been obtained. We also have the paraphernalia for Duplicate Whist.

Checker and Duplicate Whist Players are always welcome.

CARDS

Plenty of material for Rummy, Five Hundred, Euchre and Whist.

Come down often, early and stay late.

HELP! HELP!

YOUR Committee has endeavored to provide a program that will live long in the minds of Canoe Club Members.

To do this we ask your co-operation and attendance at all the events.

Just mark in your DIARY the different items and when SHE wants you on Saturday night just say, "That reminds me there is a big affair at the Club to-night and I simply gotta go." But always bring her along on Ladies' Night, she will enjoy it, and so will you. (See No. 1 of the notes.)

One of the features of the Saturday Evening Sessions will be the reading of letters from our boys on active service.

This alone is worth coming over the bridge to hear.

Let's make things lively.

YOUR HOUSE COMMITTEE,

19'
